Data Sheet

Experience the power of simple communication.

The all-in-one flip phone.

sonim® XP3plus 5G

Small. Mighty. Affordable.

Building on the success of the Sonim XP3plus, the new XP3plus 5G flip phone takes a good thing and makes it better. Certified to the same rigorous military-rated durability standards, it also packs plenty of new features. Faster 5G connectivity speeds keep you at peak productivity, added bands provide more bandwidth and security and a larger display enhances visibility. **The Sonim XP3plus 5G simply gets the job done.**

Backed by Sonim

Since 1999, Sonim has been the leading provider of rugged, reliable mobile devices. In those 25 years, we've made it our mission to provide those who work a demanding job or live an active life with tools they can count on to meet their needs. While we're proud of what we've done, we're excited even more for what lies ahead. Learn more at **sonimtech.com**

Features

Conquer every condition
Meets rigorous IP68, MIL-STD-810H, Class I, II and III, Div 2 standards, protecting against water, drops and dust.

Expand your range
Newly added bands open up the possibilities by offering more bandwidth and fewer competing signals through more secure connections.

On-demand comms
Programmable Push-to-Talk and SOS emergency buttons allow you to program the features that are most important and most instantly accessible to you.

Hours of power
Powerful 3000mAh removable battery keeps you going all day long—and recharges quickly with 10W Fast Charge.

Speed it up
5G speedy performance keeps you on top of everything that comes your way just as quickly as it comes.
