

# Wherever life takes you, connect from there.

**sonim** Spot™ H100

## Keep life moving with the **Sonim Spot™ H100**.

The ability to connect on the go used to be a luxury. Now it's practically a necessity. And nothing makes it easier to connect than the new Sonim Spot H100 4G mobile hotspot. Simply power it up and you're off and working. Or streaming. Or shopping. Or whatever your day has in-store. With impressive download and upload speeds, a powerful battery and a color interface, **you'll be blown away by the features we packed into the compact, yet mighty Spot H100.**

### Why Sonim?

**From day one, we've known the importance of staying connected.** What started as a promise to first responders and public service workers has turned into a 25-year commitment to a wider audience, from government to Fortune 500 companies. That promise remains the same—to provide the most advanced, reliable and durable mobile tech solutions to anyone who needs to stay connected no matter the conditions, no matter the location. Today and tomorrow.

### Features

**Low cost, low maintenance** and high performance.

**LTE Cat-13** certified.

**Long-lasting battery.**

**Color** interface.

### Benefits

Great download and upload speeds.

4G connectivity to all connected devices.
