

XP Pro E

The next generation ultra-rugged 5G smartphone

Sleek, modern form.
Extreme performance.
Ready to get to work.

The Sonim XP Pro E 5G smartphone sets a new standard for rugged and reliable smartphones. Its streamlined form with large glove-friendly screen is built to the toughest standards, up for even the most challenging conditions.

Built to outlast, it meets Sonim's Rugged Performance Standards, resisting water, drops, and dust with ease. Dual loudspeakers with noise and echo cancellation ensure clear communication, no matter the conditions.

Despite its extreme durability, the sleek and slim design makes it just as practical for personal use as it is for the job site, while our SonimWare™ software toolkit manages and optimizes your mobile ecosystem to keep everything running smoothly.

* In the event that the 3-year manufacturer warranty differs from the contract warranty, the contract warranty will govern and supercedes the 3-year manufacturer warranty.
